**Bucket without bottom band:** W5007

**Bucket with bottom band:** W5010, W5012, W5015

**Bucket lid:** W5112

These products are produced from stainless steel and are compliant with the requirements of Regulation 1935/2004/EC and Italian Decree No. 258 of 21 December 2010 for articles intended for contact with food.

The products are certified as made from grade AISI 304 stainless steel corresponding to grade EN 1.4301 and SS2333 and are suitable for use in direct contact with food.

For products with graduation, the volumes are tested against calibrated equipment at start of production and following any tool repair or changes to new tooling.
